Cathedral Prep Show Choir Sings for the Sisters!

The Sisters and 50 talented Cathedral Prep Students gathered for a wonderful afternoon of song! Andrew Alesso, Prep Music, Visual, and Performing Arts Faculty, accompanied the students on a variety of tunes, from Broadway to contemporary and favorite oldies, and an encore featuring the VMA Alma Mater!

Mark your calendars for **Thursday, December 19**
Prep Show Choir Holiday Concert - ALL are Welcome!

2024 April Donors

If April showers bring May flowers, your gifts grow both opportunities to plant seeds of love and flourish blossoms of hope.

The Foundation thanks you, our April donors, on behalf of the Sisters and their ministries!

Thanks for the Memories

SSJ Leadership Carol Morehouse VMA '67 and Mary Drexler VMA '63 (ends), along with Cass Alberstadt Shimek VMA '78 (right), thank Jackie Giacabello Nicolai VMA '80 for gifting two Jim Sabol prints - Villa Maria College West 12th St. gate and Cathedral Prep West 9th St. doors.

The SSJ Neighborhood Network 'Flower Power' Name that Tune Gala was far out! The audience hung loose, guessed some tunes, and had a gas. If you've never been to the gala, Vickie 'Groovy Chick' Pangratz, Mayor Joe 'Daddy-O' Schember, and Cass 'Can ya dig it' Shimek, encourage you to be there or be square. Peace Out!

Thank You, Ladies of the SSJ Archives

Marie Timmons, SSJ, and Associate Pat Marshall are a dynamic duo when it comes to keeping the SSJ records and memorabilia. They help at every turn, whether updating the CLC Archive Room or a window display in the admin building. They answer every call or knock on the door as if it's their priority for the day. They look forward to receiving information from all of us to further documenting the work of the Sisters. Thank you, Sr. Marie and Pat, for your thoughtful work and dedication!
