**Good morning, Executive Directors!**  
Please find attached the SSJMMF 2025 Grant Proposal application. The grant is due one month from today, April 25, 2025. The SSJMMF Board of Trustees Grant Committee has approved general operating support along with the annual project or program funding. General operating support will not be an annual option, but our thoughts were to add it in the 2025 cycle.

## 2024 IMPACT REPORT
