

FOUNDATION NEWS

**for the SSJ Sisters, Agrégées, Associates,
Ministries, Trustees & Staff**

God of promise and possibility, we stand in gratitude for the gifts, graces, and challenges that have shaped the Congregation of St. Joseph.

Today we remember and honor the founding women in Le Puy and also the thousands of women who for more than 375 years have listened and responded to the call to live the mission of the Sisters of St Joseph throughout the world.

We pray that we continue to be a uniting presence in the world, daily being who we are and doing what we do because we love God.

Please pause for a moment to think about the Sisters, Agrégées, Associates, and partners in ministry, who in simple or profound ways touch your heart, shape your thinking or continue to motivate us to be persons of hope, great courage, and trust in our God who never disappoints.

And so, we pray together:

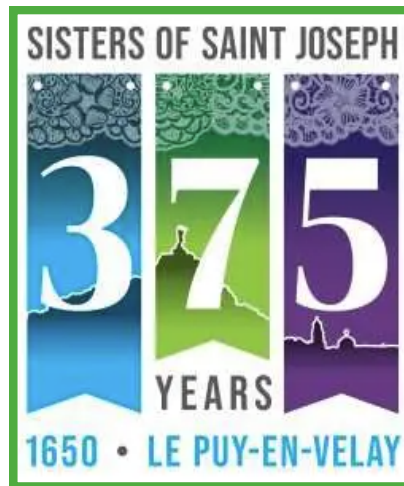

Spirit of joy and celebration, bless us.

Spirit of challenge and sustenance, guide us,

Spirit of grace, compassion, and courage,

fill us as we continue to manifest our mission in the world. Spirit of love and belonging, help us

to love each dear neighbor as we strive to embrace unity in diversity so that in radical love, all may be one.
